WE MANUFACTURE ALL KIND OF PANEL BOARDS AS PER REQUIRED SPECIFICATION OR

INTRODUCING BHARAT ENGINEERING CO.

Established in the year of 1984, Bharat Engineering Co. has been the pride of the Nation, illuminating various corners of India. Being a SSI Unit and a member of MSME we mainly focus on supplying the wide range of Switch Fuse Unit/Main Switch, Change Over Switch, Busbar Distribution Boards, Fuse Busbar Distribution Boards, Power Distribution Boards, Panel Distribution Boards, Kit-Kat Fuse Units, LT Reverse Switch, MCB Distribution Board/Box (Single/Double Door) in all Government and Public Sector with various qualities and designs.

For the past 36 years, several companies, distributors and dealers have been working with us passionately which is the reason we succeed to make an amicable relation

with our clients or members. Since 1995 we have started working outside of our state and our number of distributors also increased accordingly.

We offer Annual Schemes for rewarding our distributors and dealers in the beginning of each business year. We have scheme for Out Station Tours and many other things. We heartily thank all of them who were, are and/or will be a part of our Journey.

We heartily thank all of them who were, are and/or will be a part of our Journey.
